

**Low-Rider**

*Planex*

Low-Rider  
Australian-built  
personal storage

**Models:**

Classic 66  
Super Deluxe

**Specifications:**

Low-Riders have a road-hugging, low profile silhouette of 670H, 1000W, 500D

**Body:**

With a crisp, sleek style that reflects its flashing performance, Low-Rider is made from premium Australian sheet steel. To make sure its panels don't rust, the chassis is triple-treated with an environmentally friendly, low-temperature phosphate process and finished in select high-performance powder coat.

**Fuel efficient:**

Both the Classic 66 and Super Deluxe can be disassembled for recycling with tools found in any enthusiasts tool box. The Super Deluxe features a super-sleek, ultra enviro-friendly polypropylene (PP) tambour door as standard.

Environmental certification ISO14001.  
Quality Assurance certification ISO9001.

Brochure printed on environmentally responsible paper with a high recycled fibre content, it is sourced from sustainable plantation wood and is Elemental Chlorine Free (ECF).

**Finishes:**

Really give your Low-Rider that stylish look, with the new 'metalflake' range of colours. Or choose from our range of 100+ gloss, matt, satin or textured finishes.

**Safety:**

To keep the ride steady, drawer slides have an interlocking, anti-tilt system to prevent two drawers being opened together, plus a positive locking feature to avoid drawers sliding out accidentally.

**Security:**

Low-Rider is fitted with a German-made anti-theft locking system, giving you the peace-of-mind that your valuables are safely tucked-away in the glove-box or boot. And to further reduce the risk of theft, the Super Deluxe model has double-security with locks on both the door and drawers. Finally, to make sure keys can't be purchased from the corner store, replacement keys are only available through a Planex Low-Rider showroom.

**Built to last:**

Australian-made in Planex's state-of-the-art garage in Melbourne, Low-Riders are built under a watchful eye, and certified both with ISO9001/2000 quality assurance program and ISO 14001 environmental management systems.

**Service and warranty:**

Low-Riders come with a service-free lifetime and 5 year warranty. Low-Riders will give you years of high-performance, better mileage and last longer.

**Optional extras:**

Make your Low-Rider look snappy, with red Grand Prix castors, featuring fully-chromed bumpers (see below). Or add a bit of 'pizzazz' to your Super Deluxe with an optional aluminium tambour door.
