

# FATFILE

Designer Paul Morris has turned utilitarian notions of dull filing systems on their head by teaming up with Planex to create Fatfile © an elegant storage solution for the evolving workplace.

Fatfile has been created to feature a range of designer selected matt fine grained powdercoat textures in Cyber Green, Grey Green, Deep Taupe, Aged Silver, Mannex Black and Mannex White. Additional powdercoat colours are available, for more information please contact [info@planex.com.au](mailto:info@planex.com.au).
