

S-Series SM Tambour Door Aluminium

Made to the high quality standards you have come to expect, the S-Series Tambour Cabinet is our most economical storage option.

A two-door general-purpose storage solution, the S-Series Tambour Door Cabinet has retractable doors, which make it suitable for high-traffic areas with restricted space. Optional aluminum doors allow the door colour to match the cabinet. The original Planex storage range, S-Series is a classic and flexible storage solution designed to meet the demands of the modern office. Available in 8 heights and 1 width.

Planter Integration

Planter boxes easily integrate into Planex's range of steel storage, breathing new life and style into the landscape of any office. A collection of unique plant display units that double as a mobile screen or room divider, planter boxes can also be powdercoated and perforated with a punch pattern to match the style of the cabinet.
