

Virtu SM Tambour Door

Polypropylene

The clever design of the Virtu Tambour Door Cabinet gives it the clean lines normally found only in joinery.

Virtu Tambour Door Cabinets offer a refined storage solution. The design features a single door, a clean, slim 20mm profile that is usually associated with joinery and thin, rounded edge shelves. Available in 4 heights and 2 widths with a polypropylene door.

Manufacturer	Planex Sales Pty Ltd
Location	Hallam, Melbourne
Standard Warranty	Ten years

Planter Integration

Planter boxes easily integrate into Planex's range of steel storage, breathing new life and style into the landscape of any office. A collection of unique plant display units that double as a mobile screen or room divider, planter boxes can also be powdercoated and perforated with a punch pattern to match the style of the cabinet.
