

LOWE & FLETCHER

LOCKING SYSTEMS FOR INDUSTRY

THE ULTIMATE DIGITAL COMBINATION LOCK

Introducing Horizon by Lowe & Fletcher. A slimline, small footprint lock with capacitive touch keypad and an ultra-modern look and feel. Designed for use on lockers, cabinets, delivery boxes and general enclosures, it is easy to install and simple to operate. The lock has an impressive range of advanced features including: remote management of lock codes, audit trail and a cloud based configuration portal. The pop-out handle offers additional security and the coloured indicator ring shows at a glance if the lock is in use or available. The unique mechanical override key permits managerial access in the event of an emergency and an impressive range of custom colours will complement any environment.
