

Stax

Stax shelving is the modern alternative to traditional, generic shelving systems.

Slim vertical elements integrate with a contemporary shelf design, bringing lightness to the overall system. Stax Shelving is available in two widths and four heights, either single or double sided and can incorporate planter boxes. Adjustable shelving with 68mm pitch for maximum versatility. Stax is designed to be continuous, additional modules extend the length and meterage capacity.

Manufacturer	Planex Sales Pty Ltd
Location	Hallam, Melbourne
Standard Warranty	Ten years

Stax	Code 15-STX		
Description	Height	Width	Depth
Base	93	880/1180	300/600
