

Coronavirus COVID-19 Visitors and Contractors Declaration

All visitors and contractors are to complete and sign this declaration.

Have you been diagnosed with coronavirus COVID-19?

Yes No

In the last 28 days, have you visited any country outside Australia?

Yes No

If yes, please list the countries below:

In the last 28 days, have you been in close contact with someone who is a confirmed case of coronavirus COVID-19?

Yes No

In the last 28 days, have you been in close contact with someone who is currently awaiting test results regarding coronavirus COVID-19?

Yes No

In signing this declaration you declare the above information to be true and correct.

Your signature also declares that you agree, so far as is reasonably practicable, to abide by the following practices:

- : Wash or sanitise your hands thoroughly before commencing any meeting or work at these premises
- : Cover your mouth when coughing or sneezing but do not use your hands. Cough into your elbow with your face/mouth directed towards the floor
- : Practise "social distancing". For example:
 - : avoid physical contact with other people
 - : don't shake hands, hug or kiss when greeting others
 - : try to maintain at least two metres distance between yourself and others
- : Immediately advise us if you begin to feel unwell
