

Foldi - Desk Accessories

Planex is excited to launch Foldi, a brand new collection of designer desk accessories for the office and home.

Foldi is a collection of five exciting products that will help contain the clutter, organise pens, keep files together and accommodate papers on your desktop...wherever you work. The products arrive flat-packed and are simple and easy to fold into shape. The range consists of a folder file, a mini organiser, a pen/pencil holder, a paper tray and a document/device stand. The final products are finished in a textured, matt or gloss powdercoat with a basic colour palette of black, white, red, orange, yellow and pale eucalypt. Enjoy the Foldi collection in one colour or mix and match, the choice is yours.
