

S-Series SP Open Cabinet

The SP Open Cabinet suits general purpose or archival storage where having the extra depth is important.

A modular, freestanding system lends itself to endless combinations and options for customising any installation. The original Planex storage range, S-Series is a classic and flexible storage solution designed to meet the demands of the modern office.

Planter Integration

Planter boxes easily integrate into Planex's range of steel storage, breathing new life and style into the landscape of any office. A collection of unique plant display units that double as a mobile screen or room divider, planter boxes can also be powdercoated and perforated with a punch pattern to match the style of the cabinet.
