S-Series

The Planex S-Series is a classic and timeless storage solution designed to meet the demands of the modern office.

S-Series

The original Planex storage range, the S-Series is a popular and economical solution made in Australia by Planex to our high standards. It combines tambour, swing, open cabinets as well as drawer storage in a range of standard sizes. Complimentary accessories such as planter boxes, pedestals and personal storage modules complete the range.

SM Tambour Cabinet - Polypropylene Doors

Recognised as Australia’s best build and finish quality, our tambour door cabinets have the same quality you expect from all Planex products, yet the S-Series cabinet is our most economical tambour cabinet option.

Height	Width	Depth
670	900	500
700	1045	
800	1200	
1000		
1200		
1300		
1675		
1980		

1980H provides six levels of shelf filing or five levels for lever arch folders

SM Tambour Cabinet - Aluminium Doors

Aluminium doors allow the door colour to match the cabinet and provide an added level of security. Recognised as Australia’s best build and finish quality, our tambour door cabinets have the same quality you expect from all Planex products.

Height	Width	Depth
670	900	500
700		
800		
1000		
1200		
1300		
1675		
1980		

SB Bookcase

This sturdy, fully welded bookcase is ideal for back room storage. You may ask ‘Why is steel shelving a better option than joinery?’ Steel is stronger, lasts a lot longer, has more colour options and fully recyclable.

Height	Width	Depth
670	900	370
700	1200	
1000		
1300		
1675		
1980		

SP Open Unit

500 deep Open Units suit general purpose or archival storage where having the extra shelf depth is important.

Height	Width	Depth
670	900	500
700	1200	
1000		
1200		
1300		
1675		
1980		

SS Swing Door Cabinet

These durable cupboards have metal doors with a two-point locking system. Available in seven sizes. Featuring a variety of accessories including optional reference table for taller models.

Height	Width	Depth
670	900	500
700		
1000		
1200		
1300		
1675		
1980		

SD Lateral Drawer Cabinet

An all-purpose drawer cabinet featuring smooth sliding drawers, ball-bearing slides with integrated anti-tilt mechanism. Planex lateral drawer cabinets pass the independent AFRDI Blue Tick certificate for ‘Strength & Durability’ and fitness for purpose.

Height	Width	Depth
670 (2 drawer)	900	500
700 (2 drawer)		
1000 (3 drawer)		
1300 (4 drawer)		

Dynamic work environments require mobile storage solutions

SM Mobile Tambour Door Cabinet

A streamlined storage solution fitted with heavy duty 80mm diameter European castors. The doors roll away into the cabinet making it ideal for high-traffic areas with restricted space.

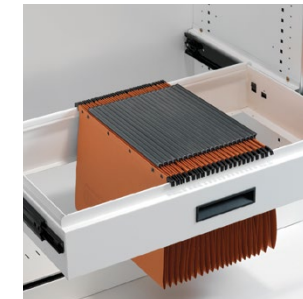

Height	Width	Depth
770	900	500
800	1200	
900		
1100		
1300

About us

Planex is an Australian designer and manufacturer of steel storage solutions for commercial, government, educational, sports, hospitality and residential interiors.

Designed and made in Melbourne since 1972, our products use sustainable, locally sourced materials. We endorse responsible work practices and ensure that our supply partners are equally ethically minded.

Local manufacturing enables collaborative opportunities to innovate and develop solutions for the evolving workplace.

We provide designers with an extended colour palette, a wide range of standard perforations and customisation pathways.

The S-Series range creates options for harmonisation with extensive corporate fit outs.

Storage with a conscience.

Designed and made in
Melbourne, by us for you.
